For information on Author's duties in relation to Publication Ethics, please see our statement:

Publication Ethics and Publication Malpractice Statement.

1. In consideration of **Nursing Praxis** taking action in reviewing and editing my manuscript, I/we the author/s, hereby **transfers, assigns, or otherwise conveys all copyright ownership to Nursing Praxis** in the event that such work is published in media now and hereafter invented.

NOTE: In order to comply with **NZ copyright law**, all authors who have submitted a manuscript must give their permission for the manuscript to be published by **Nursing Praxis in Aotearoa New Zealand (Nursing Praxis)** by submitting this form. Submitting this form expressly transfers copyright on the manuscript and its contents (tables, figures, photos, etc.) to **Nursing Praxis** in the event that Nursing Praxis publishes it in digital and/or print media now and hereafter. Failure to submit this form will necessitate the return of your manuscript. **Reprinting this article, in whole or part, mechanical or electronic, requires the permission of Nursing Praxis.**

2. I/we, the author/s, further acknowledge that all the material contained within the **manuscript is original and not previously published or under consideration for publication elsewhere**, and will not be published elsewhere, either in whole or partially, except in abstract form until a decision is made by **Nursing Praxis**.
3. I/we, the author/s, also **assume responsibility for obtaining the necessary permission when using previously published materials** such as tables or figures.
4. I/we, the authors, also certify that any **affiliations with or involvement in any organisation or entity with a direct financial interest in the subject matter or materials** discussed in the manuscript (e.g. funding, employment, consultancies, stock ownership, honoraria, expert testimony) are disclosed in the declaration of interests section below.
5. I/we understand that we are obliged to provide retractions or corrections of mistakes when identified.
6. **If this work has (a) been commissioned by an institute or an organisation, and/or (b) expressly named an institute or organisation**, each author agrees **that the institution/ organisation has approved the data presented in this article.**

The author/s agree to the terms and conditions stated above

Declaration of interests

The author/s declare that they have **no known** competing financial interests or personal relationships that could have appeared to influence the work reported in this paper.

If any author/s do have any financial interests/personal relationships which may be considered as potential competing interests, please provide details below:

Credit Author Statement

The author/s declare that each author has made a substantial contribution to the conception, design, acquisition of data or analysis and interpretation of data

The author/s declare that each author has contributed to the drafting or revising the manuscript critically for intellectual content

The author/s declare that they have given final approval of the version of the manuscript submitted for review

Confirmation of author agreement

The author/s declare that by submitting this form, they agree to the above Editorial Office requirements and that the information provided to *Nursing Praxis in Aotearoa New Zealand* is correct
